

Fundraiser Information

Here's a fresh, new fundraising idea that's popular with all ages!

Host a Wood Sign Paint Party with A Bird & A Brush and you'll see that we put the FUN in FUNdraising!

Here's a bit of information to get you started. We can also be found online at www.bbpaintparties.com and on Facebook @bbpaintparties. Please contact us if we can help out your cause, organization or group with your next fundraiser!

Group Size – We can accommodate any size of group from large to small. Our largest fundraiser to date was over 150 people! We do have a 15 person minimum requirement for this type of event.

Venue – It is the responsibility of the fundraising group to secure their own venue. Some ideas are local bars/restaurants, meeting rooms, school facilities, church basements, etc.

Cost – Prices vary depending on size of sign designs chosen and GST will be added to the prices. Your group will set your own ticket prices according to how much you would like to earn per person. In addition, A Bird & A Brush will donate a percentage of sales back to your fundraiser as follows:

Group size	Percentage	Amount
15-24	8%	of sales (base sign price, not ticket price)
25-49	10%	“ “ “
50+	12%	“ “ “

Depending on group size, a small deposit may be required at time of booking. Final payment must be made on or before the date of the event (payment options are e-transfer, credit, or group cheque).

Sign Selection – You may choose from any of the over 100 designs currently available or we can work together to design something exclusively for your group. We recommend limiting your selections to just a few choices as to simplify the ticket selling process.

Ticket Sales – As your group will be setting their own prices, ticket sales will be through the group.

Group Responsibilities – Booking the venue, advertising, selling tickets and keeping track of sign choices, setting up tables & chairs at the venue, table coverings, any clean up other than workshop materials.

A Bird & A Brush Responsibilities – Advertising the event on our Facebook page and website events calendar, all necessary materials (other than table coverings), set up of materials, workshop instruction, clean up of materials.
